

INSTRUCTIONS:

IMPORTANT: please observe the following points 1-6

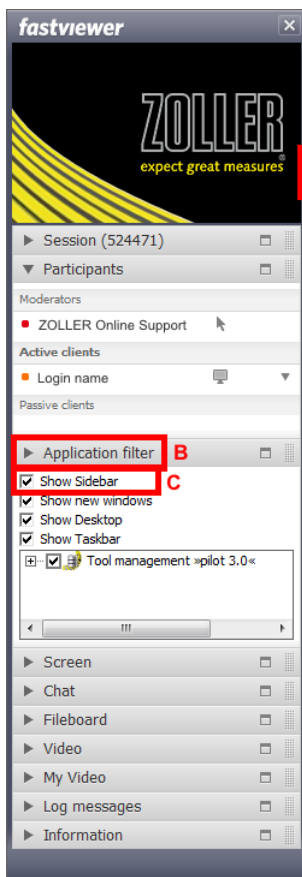

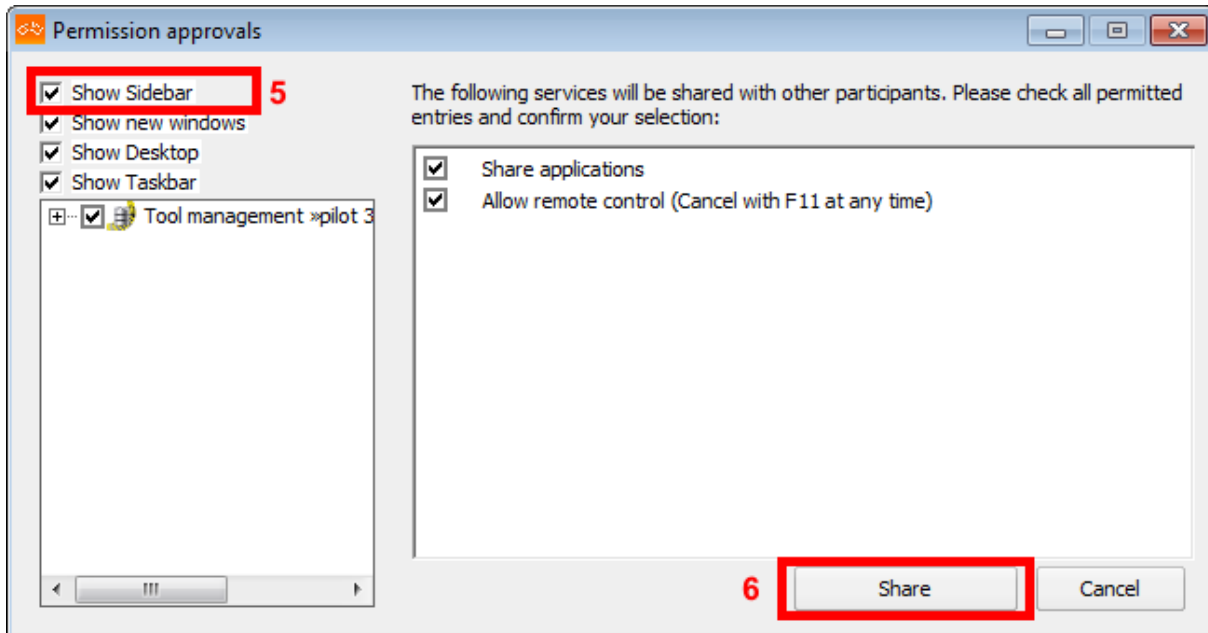

- 1 - Enter session ID. We will provide you with the session ID.
- 2 - Click on "Start Session"

A screenshot of the Zoller FastViewer login window. At the top is a black banner with the Zoller logo and tagline. Below the banner, there are two input fields: "Session ID:" and "Your name: Login name". The "Session ID:" field is highlighted with a red box and labeled with a red "1". Below the "Your name:" field is a "Start Session" button, also highlighted with a red box and labeled with a red "2". Below the input fields is a paragraph of text: "Please enter the session number to initiate the connection to your session partner. You received the session number from your session partner." At the bottom right is a "Close" button.

- 3 - Tick "Share application" and "Allow remote control..."
- 4 - Click "Select applications"

A screenshot of a Windows "Permission approvals" dialog box. The title bar says "Permission approvals". The main text reads: "The following services will be shared with other participants. Please check all permitted entries and confirm your selection:". Below this text are two checked checkboxes: "Share applications" and "Allow remote control (Cancel with F11 at any time)". The checkboxes are highlighted with a red box and labeled with a red "3". At the bottom of the dialog, there are three buttons: "<< Select applications", "Share all apps", and "Cancel". The "<< Select applications" button is highlighted with a red box and labeled with a red "4".

- 5 - Tick "Show Sidebar"
- 6 - Click "Share"

Please only click if sidebar transmission needs to be activated subsequently:

- A - Click on the rectangular symbol to open the control bar
- B - Click "Application filter"
- C - Tick "Show Sidebar"
