

# One Free Training Day

## Presetting & Measuring Solutions

In modern manufacturing, everyone is moving toward higher accuracy. There is simply no room for error. ZOLLER presetting and measuring machines offer users extreme precision and reliability. Only trained operators can unlock the full efficiency potential of ZOLLER solutions, however. That's why we're offering a free day's training at ZOLLER in order to help better equip existing and future users with the knowledge to get the full benefit out of their ZOLLER presetting and measuring machine.

**Join the ZOLLER technical team for this free day of training and learn how to optimize your production processes with high-performance ZOLLER Presetting & Measuring Technology.**

In this training, you'll learn how to set up:

**Single Components ■ Complete Tools ■ Setup Sheets ■ Data Transfer**

Don't miss out on this unique opportunity to bring your operations to the next level of productivity and profitability with ZOLLER Tool Presetting and Measuring Technology!

**Led by ZOLLER experts Andreas Diel and Randy Vater, this full day training provides the perfect opportunity to explore in detail ZOLLER Presetting and Measuring Solutions live at ZOLLER. You'll learn how to setup single components and complete tools, build setup sheets, and learn how to transfer tool offset information directly to the machine tool. Don't wait - Sign up today!**

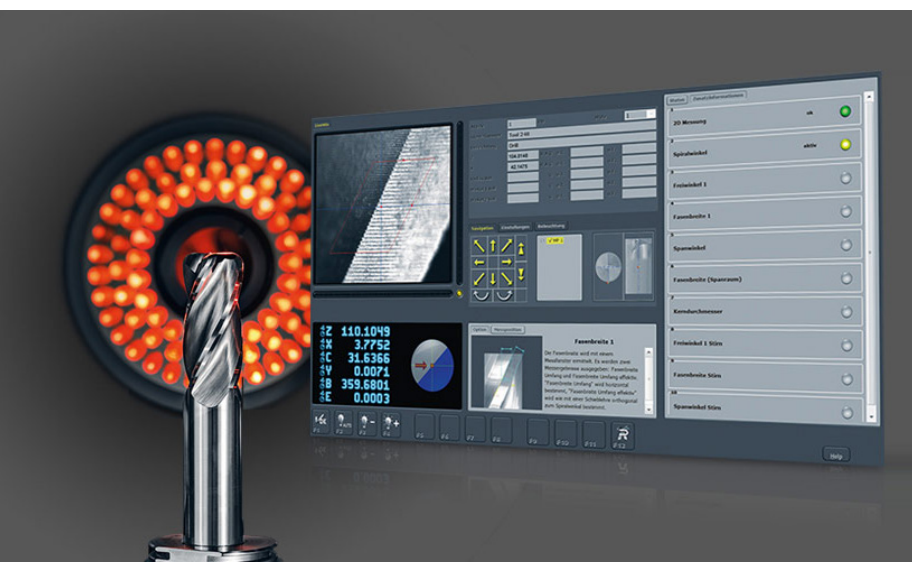

### Workshop time:

9:30 am – 4:00 pm

### Location:

ZOLLER Pacific  
39882 Del Amo Blvd,  
Torrance, CA 90503 USA  
Tel: +1 (734) 332-4851
